[To accompany H. Res. 844]

The Committee on Rules, having had under consideration House Resolution 844, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for the consideration of the Senate amendments to H.R. 8, the Jobs Protection and Recession Prevention Act of 2012 (the American Taxpayer Relief Act of 2012). The resolution makes in order a motion offered by the chair of the Committee on Ways and Means or his designee that the House concur in the Senate amendments to H.R. 8. The resolution waives all points of order against consideration of the motion and the Senate amendments. The resolution provides that the Senate amendments and the motion shall be considered as read. The resolution provides one hour of debate on the motion equally divided and controlled by the chair and ranking minority member of the Committee on Ways and Means. Finally, the resolution provides that the previous question shall be considered as ordered on the motion to its adoption without intervening motion or demand for division of the question.

EXPLANATION OF WAIVERS
